A Letter from the Foundation:

A new Sumner Library is coming to the heart of East Pierce County!

Naming opportunities within the new Sumner Library offer donors a unique chance to create a lasting legacy. With a gift of \$50,000 or more to the Pierce County Library's Spark! Capital Campaign, you can associate your name—or honor a loved one—with a space that will inspire generations to come.

Imagine your family's name gracing a vibrant children's area, where the magic of books is discovered for the first time. Picture a study room bearing the name of your business, where entrepreneurs and students alike will shape their dreams into reality. Or envision a public meeting space named in honor of a beloved community advocate, fostering connections and sparking ideas for years to come.

Your generous contribution will help us construct a state-of-the-art, 17,000-square-foot facility that will serve as a cornerstone of our community. This new library will be more than just a building—it will be a hub of learning, a bridge to vital resources, and a gathering place for all of East Pierce County residents.

When you make a commitment to the Spark! Capital Campaign, you're illuminating the pathway to knowledge, kindling the flames of curiosity, and igniting the potential within every member of our community.

We invite you to join us in our endeavor to create a brighter future for Sumner and beyond. Let your light shine. Let your legacy spark. Together, we will build a library that will enlighten generations to come.

Naming Opportunity Descriptions

- 1. Main Collection** \$750,000
The heart of our library, this expansive collection empowers our community with knowledge, imagination, and endless possibilities for learning and growth.
- 2. South Entrance *RESERVED!*** \$500,000
Convenient access point that welcomes patrons arriving from the parking lot, ensuring easy entry to a world of knowledge and community resources.
- 3. Children's Outdoor Area** \$500,000
Innovative space that combines the joy of reading with the benefits of nature, encouraging active learning and exploration.
- 4. Public Meeting Room** \$500,000
Versatile space that brings people together, facilitating community events, workshops, and fostering civic engagement.
- 5. Community Partners Room *RESERVED!*** \$300,000
Dedicated space for local service providers to connect community members with resources that will help them lead healthier lives.
- 6. Children's Area** \$300,000
Vibrant space that ignites young minds, fostering a love for reading and learning that will last a lifetime.
- 7. Teen Area** \$150,000
Dynamic environment designed specifically for teens, with their input driving many of the design decisions; a space for personal growth, creativity, and social connection.
- 8. Adult Study Area** \$100,000
Comfortable retreat to relax, read, and use computers and other technology.
- 9. Sensory Room** \$100,000
Inclusive space with acoustic insulated soundproofing, designed to welcome and support individuals and families with sensory sensitivities, or those who need a safe space to reset and realign.
